Posted by gwilliamson - 2008/06/30 09:32

I have just learned who the nominations are for the election , they are -:

Nigel Arthur Dugmore (Conservative)

Raymond Knight (U.K.I.P)

Phil Norton (Labour)

GRAHAM WILLIAMSON (INDEPENDENT)

This should be interesting , i have also added the website which is where i obtained this information (the link is below)

Well done Graham.

Now the race is on.

Apart from yourself, I only rally know Ray Knight who is a really nice gentleman.

Only one i know John is Phil Norton , he is already a parish councillor and does quite a bit with the Donnington Partnership (need i say more) , should be an interesting fight though , the Conservative candidate is a bit unknown then , if you have never heard of him , which is a surprise considering the strong tory vote in the area.

Out of all the candidates only the Conservative one stays in Muxton (though his post code starts TF2 the same as mine).
